Plenary Panel Session Guidelines

- **Plenary Panel Member Discussion (15 min)**
 - **5 min per question/statement**
 - **Facilitator will make ask a question related to the topic.**
 - **A panel member will have 2 min to respond to the statement.**
 - **1 min response will be provided for 2 additional panel members.**
 - **1 min wrap up by identified panelist**

This is a time to think about the questions you want to ask.

Please submit your questions via the Q & A feature.

QUESTION 1

From your perspective, what contributes to closing the implementation gap in implementation efforts?

QUESTION 2

Utilizing implementation teams leads to higher levels of uptake of the new practice...do implementation teams play a role in your implementation processes?

QUESTION 3

Building capacity in implementation efforts is a long-term process, how are you addressing that in your implementation efforts?

- If you have a question, please type your question in the question and answer section
- Identify who you would like to answer the question or if anyone can respond
- One panelist starts the discussion... other panelist can chime in
- No more than two-three minutes per question

TIME FOR
QUESTIONS!

CLOSING THOUGHTS...

**What's the ONE thing you want us
(the summit attendees) to DO as a
result of this brilliant conversation?**

Thank you!
Bravo, thank you for sharing your valuable time with us this session!
